

Tri-Band Strap + Bump Cap

Product Information

Compatible with:

- The Tri-Band Strap + Bump Cap replaces the standard Overhead Strap for a more secure fit.
- The Tri-Band Strap secures the HMT-1 to the Bump Cap, which is a comfortable, breathable cap with a removable impact-resistant liner.
- It is suitable for environments that require head cover but do not require hard hats.
- The short brim also provides shade without interfering with the HMT-1.
